

OFA BOARD POSITION OPEN:

The OFA Vice President position became open this summer at the annual board meeting, due to the natural progression of officers. The Vice President has no assigned duties and usually becomes involved in the area of his/her choice (genealogy, finance, reunion planning, membership, etc.). This position naturally progresses to the President Elect in two years and then two years thereafter becomes President. It is a full voting board position with involvement in all board decisions. It is not cast in stone; we have had Vice Presidents not become President for various reasons, but it is a great way to get involved, learn the mechanics of the organization and work with some of the most wonderful people in the world – Your Cousins! If you are interested, have questions or suggestions please contact Immediate Past President and Nominating Committee Chairman, Kurt Brown at kurt01@ostrander.org, 941-924-9214, or 4553 Chase Oaks Dr. Sarasota, FL.
